FOREWORD

The future years will bring new faces and changes to the school scene, but there shall be for us this record of the friends we knew, the things we did and the memories that are still dear to us. In the years to come the yearbook will keep alive the memories gathered during the undergraduate days. If this book, in some way, will help you to recall the many events and challenges in the 1960 school year and the way in which those events have molded your future, the purpose of this yearbook will have been fulfilled.

We, the annual staff, proudly present to you, the 1960 Eagle.

Another school year is finished and it has been for all of you another year of growth and progress. However, may this year be only another step toward greater achievement. Education is the way in which you can invest your time during your early years and you will receive life long returns. In our modern age, greatest success comes to those who possess skill and training.

EAGLE STAFF

The number of details involved in sponsoring a school yearbook could be staggering if it were not for the happy thought that memories of youth are being preserved. It is also a pleasure to present school as it really is - a place for mental, physical, and social growth of the young people of Holliday.

I sincerely appreciate the untiring efforts of the staff, the liberal contributions of advertisers, and the support given by teachers and students in making this book possible.

31						

Our school year began August 31 with registration and the outdoor party for signing the 1959 EAGLE. Then came September and football. The band and cheerleaders led by Mary Cox, who was chosen as September Girl, added much atmosphere while our team got off to a good start by defeating Throckmorton and Electra. In our first assembly we said, "Bon Voyage" to Kenneth Thomas as he left for a US Navy cruise which he had won as a budding young scientist the previous spring.

In October Holliday High went western while the seniors made preparations for the traditional Round-up and Barbecue on the 24th. The football team continued to win and Doc Myers became our football hero for October. From the beginning of practice for girls basketball Mary Jo Lowder was a stand-out and was recognized by the student body for her athletic ability.

Homecoming activities highlighted November. Carolyn Morton as football queen and Mary Jo Lowder as band Sweetheart were the central figures in an elaborate crowning ceremony held in the gymnasium. Football season ended with an 8-2 record and basketball began. Charles Brison was elected Boy of the Month for his basketball prowess and Lanette Babb with her charming manners captured our hearts in the classroom.

Basketball, the F.H.A. Banquet, and class parties held our interest until Christmas holidays finally arrived. As the basketball season progressed through December we agreed that Nema Tiger and Donald Johnson were two of our most valuable players.

In January we were hard at work again, but the Athletic Banquet offered a welcome relief. Entertainment by our versatile stage band and a group of Holliday "belles" was enjoyed by all. During this month Nancy Stegall and Jerry Finnell earned for their third time an All-State Band rating, and snow covering our campus offered a new medium of play.

By February it was decided that the faculty should recognize some students for outstanding qualities and they began by picking Jeanette Frey and Pern Tiger as Friendliest Freshmen. Claudia Smyers emerged the winner of the Spelling Bee and another feature of the month was the fourth grade program. Basketball season with a fine record for both boys and girls, and we finally finished getting our pictures made for the yearbook.

March found us engaged in usual and unusual schoolroom activities, but winter held on and we were glad to don our wraps at the end of a day. The teachers were saved during those trying days by such students as R'Dean Smith and Billy Craddock who were chosen as Most Courteous Sophomores.

We really worked in April! Two-thirds of our students were out for athletic or literary events in preparation for Interscholastic League competition, and we dedicated our April calendar page to all teachers and students who helped Holliday to win the cup for literary events.

To grace our May page Sue Sorrels and Jerry Adams were chosen as Most Cooperative Juniors. Before we realized it, the month of May was half gone, and traditional banquets held our thoughts. A Dutch theme for the eighth grade banquet and a Hawaiian dream world for the junior-senior banquet and prom made both occasions very festive.

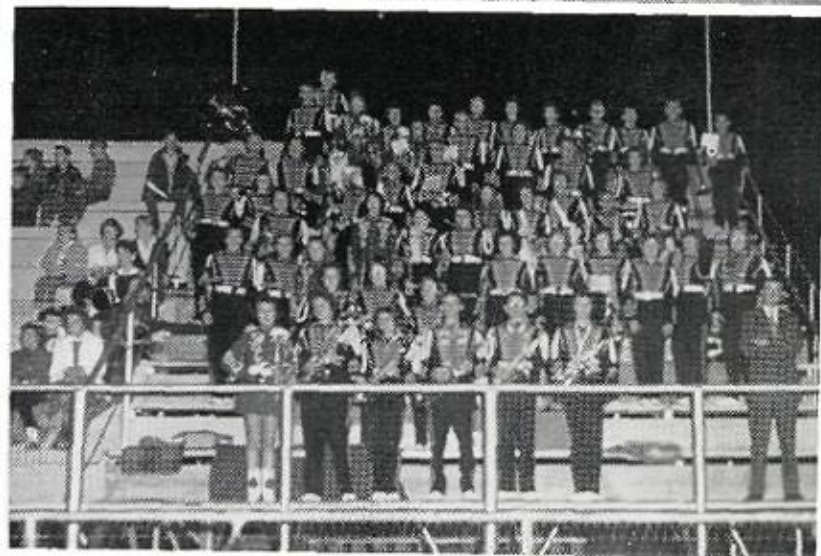

We had "reading, writing, and arithmetic" during 1959-1960, but we also had a wonderful time, didn't we?

An abstract geometric composition featuring several diamond and triangular shapes. A large, light gray diamond is positioned in the upper right, containing the word 'ATHLETICS' in white, bold, sans-serif capital letters. To its left, a black-outlined diamond is partially visible. Below the large diamond, a black-outlined diamond is connected to a solid black diamond at the bottom right. In the bottom left corner, a solid dark gray triangle points upwards, with a light gray, textured, brush-like stroke trailing behind it. The overall design is minimalist and modern, using a limited color palette of black, white, and various shades of gray.

Graduation Night

Now that we have reached the end of this, our attempt at summarizing a year in our long, long trail of education where our feet have followed many paths, we wish to thank our very loyal and helpful faculty. They have given tirelessly of their time and efforts to help make this annual a success. We want to express thanks to all the people who have contributed to the publication of this annual and we thank you, the student body of Holliday High School, for the support and cooperation you have so willingly given us.

We, the Eagle Staff, sincerely hope you have enjoyed your 1960 annual. We also hope that this book, the product of our combined efforts, will make our wonderful sponsor, Mrs. Fisher, and the entire student body proud of their school.
